REGULAR  
ATTENDEES

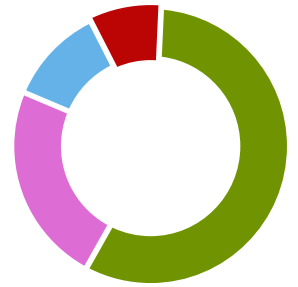

**12%**  
GROUP LEADERS

**Likelihood to attend if gathering restrictions lifted**

**67%**

**Very Likely  
and Likely**

## What You Want

## What We're Doing

**46%**

Stringent Cleaning  
Protocols

We are regularly cleaning and sanitizing housing, equipment, and common areas with CDC approved cleaners

**39%**

Temperature and  
symptom checks

We are requiring attendees to complete a health screening with temperature check before checking in. Staff complete a daily health screening

**66%**

Hand sanitizer stations  
around campus

Dozens of mobile hand sanitizer stations are places around campus using sanitizer with 70% alcohol content

**43%**

Larger worship space to  
allow social distancing

Sessions will take place in our Beacon gym, allowing for maximum room to spread out and proper distancing between groups

**40%** Prefer to Wear  
A Mask

As of August 10th, camp participants and staff are required to wear masks indoors and outside where social distancing can't take place.

## Dining Experience

**41%** Expressed concern  
about dining

### WE ARE:

- Designating specific meal times for all attendees
- Decreasing capacity of dining hall to allow for distancing
- Following all regulations in meal prep and serving
- Proper PPE being worn by all food service staff

Your Safety Is Our

**#1**
