Welcome!

We are so glad that you will be joining us for the Men’s Retreat. These weekends are designed to prepare and equip men to be godly men in their church, families, and workplaces. Please feel free to ask any staff member for assistance during the weekend. We want to be able to remove distractions so that you can focus on connecting with God and the other men.

Frequently Asked Questions

What does the Registration Fee Include?
In short, everything! The registration fee is all-inclusive. All housing, meals, and activities are included. The only extra money you may need is for extra snacks and drinks at our Camp Store during the weekend.

Seriously, we can bring our own guns?
Yes. We encourage guys who like to shoot their own guns to bring them and ammunition. There will be times for shooting guns at our ranges. We have a rifle range, shotgun trap shooting range, pistol range, and archery range. While firearms are not in use, they MUST be locked in vehicles. No firearms are allowed in housing units.

What if any of us have special dietary needs?
We are happy to accommodate some dietary needs and restrictions that our guests may have. We are pleased to offer gluten free, dairy free, peanut/tree nut free and vegetarian options. If your allergy/dietary restrictions fall into any of these four categories please inform us at least one week prior to your experience by filling out those needs on your online health form. If your allergy/dietary needs exceed those listed above please contact our Executive Chef, Niel Scharphorn, at niel@graceadventures.org or 231-873-3662 to make arrangements to bring your own food.

Is Wi-Fi available during the retreat?
Because of the beautiful and remote area that surrounds us, we do not offer Wi-Fi to our guests during their stay. We encourage you to disconnect from the internet and enjoy time in nature and with the other men in your group.

How many people usually come to the Men’s Retreats?
Every weekend is different and will have a variable number of people, but our capacity for the weekends is 240 total people. Typically weekends will be between 200-240 people.

Are your buildings handicap accessible?
Many of our buildings and housing units are handicap accessible, but not every housing unit and activity site. We have paved sidewalks that go between the main session space, gymnasium, dining hall, the Lodge housing unit, and the Retreat Center housing unit. There is a significant amount of walking required to get around campus. If you require handicap accessible lodging or accommodations, please let our staff know ahead of time so that we can plan for those needs.

What should we do in case of emergencies?
In the event of an emergency, please call 911 and inform a Grace Adventures staff member. Make sure your men have the proper insurance and medical information on hand. At Check-In you’ll be given more information on how to reach a staff member at any time. The nearest hospital is Mercy Health Lakeshore in Shelby, MI. (72 S State St, Shelby, MI 49455)
